

## SENIOR CLASS PLAY WILL BE HELD IN THE OPERA HOUSE

Play of 1920 High School Class Will Be Greatest Effort of Local School  
—Opera House Necessary for Its Presentation.

Extensive plans are being made by the members of the class of '20 of the Maysville High School for the presentation of the annual class play. The play this year is entitled "Green Stockings" and is said to be the biggest attempt ever made by the local High School students. So elaborate is the play that the High School auditorium will not be used and arrangements have been made for the Washington Theater. The play will be held on the evening of Friday, May 7th, and the members of the cast are now doing much work to get themselves ready for the big annual event which is regarded by many as the greatest event of the school year.

The teachers in the High School have been doing some very hard extra work to make this year's play especially attractive and there is no doubt but that there will be an unusually large audience to see it presented. The class of '20 is an unusually large one and among its members have been found boys and girls with much extraordinary talent. Out of this large class the following cast has been selected:

Admiral Crisp—Reed Crawford.  
Will Faraday—William Welburn.  
Col. Smith—William Farley.  
Robert Tarver—Milton Wunder.  
Henry Steele—Leonidas Wallace.  
James Raleigh—Harry Sammons.  
Martin—Clarence Breece.  
Mrs. Rockingham—Marie Duzan.  
Lady Trenchard—Francis Cooper.  
Phyllis Faraday—Anna Fred Harbison.  
Mrs. Chisholm Faraday—Eloise Burgess.

**PRAYER MEETING TONIGHT.**  
The regular weekly prayer meeting service will be located this evening at 7 o'clock at the First Baptist church. The devotional service will be in charge of the pastor, Rev. J. A. Davis. Following the devotional service there will be a business session as tomorrow is the last day of the first year of the Baptist 75 Million Campaign and the local church desires to close the books. All officers of the church are urged to attend this evening's meeting.

## YOUNG WIDOW AND TWO CHILDREN FIND HOME

Through Efforts of County Judge Purnell Young Woman Finds Home For Self and Two Small Children.

Mrs. Oscar Dillon, who appealed to County Judge H. P. Purnell Tuesday afternoon for assistance in finding a home for her two small children has not only found good homes for her children but has also found a splendid home for herself.

Thursday evening Judge Purnell got into communication with a local man who desired a housekeeper. This gentleman's wife had died several months ago leaving him with several small children and no housekeeper. Arrangements were completed today whereby the young widow will accept a position as housekeeper for this local gentleman. She will take with her to her new home her 3 year old son and the 9 months old daughter who will be given a home by a former Maysville woman who now lives in Atlanta, Ga.

Mrs. Dillon is very much pleased with this arrangement as she had feared she would be compelled to give up both of her children entirely. The young mother became almost distracted after endeavoring to keep her children together and work in the local factories.

The Eastern Star will entertain with a card party at Masonic Temple at 8 o'clock Friday evening. Admission 35c. There will be several tables of euchre.

## DOUBLE FUNERAL FOR MRS. MARY PAUL AND HER SON

Aged Resident Dies Late Wednesday and Her Invalid Son Dies Within Few Hours—Funeral Friday.

Mrs. Mary A. Paul, aged 82 years, widow of Charles Paul, died at her home on East Third street, Fifth ward, Wednesday afternoon at 3:30 o'clock after an illness of several months. Her husband died only a few months ago and since his death Mrs. Paul has been rather ill.

Mr. Daniel Paul, Mrs. Paul's eldest son, who has been ill for many years with rheumatism, died just about 6 hours after his mother's death, thus death probably having much to do with hastening his death although he had been critically ill for the past two weeks.

A double funeral for mother and son will be held at the home in Third street Friday morning at 10 o'clock and burial will be made at Shannon.

## EIGHT MEN PASSED BY COMMONWEALTH IN SELECTING JURY

Fifty-six Men Examined in Marksberry Case up to 3 O'clock and Eight Remained Yet to Be Struck—None Found Is Not Human.

There was a much smaller crowd of people at Brooksville today to attend the Marksberry murder trial, many becoming tired out yesterday in the uninteresting selection of a jury and remaining at home until the jury is procured and the actual hearing of evidence is begun. Everything was quiet and no disturbance of any kind was reported. The court house was not filled at this morning's session but this afternoon every seat in the Circuit Court room was taken.

Fifty-six men had been examined up to 3 o'clock this afternoon and up to that time eight men remained in the jury box, these may not remain on the jury, however, as neither side has challenged as yet except for cause. The sheriff reported Wednesday afternoon with fifty additional men for examination and Judge Newell this afternoon instructed the sheriff to bring in another fifty men. It is not expected that the jury will be accepted before Friday afternoon as the examination is moving very slowly.

A bone which was found on the farm where Marksberry lived and which was thought to have been a part of Glenn's missing members, was brought to Brooksville today and examined by several physicians. All of the physicians were of the opinion that the bone was a part of a cow's carcass and not a human bone.

Marksberry, who spent the night Wednesday in the Mason county jail, will more than likely be brought here again tonight as night sessions of court will not be held until the jury is finally accepted and sworn. Upon the completion of the jury Judge Newell will hold night sessions and it will then be almost impossible to bring the prisoner here. Marksberry has gained much flesh since he was arrested and at the local jail Wednesday evening he hardly looked like the same man brought here upon his first being arrested.

## STOCKHOLDERS SUE OIL COMPANY OFFICERS

## FOR THE CRITIC.

For years it has been true that one will not see the beam in his own eye but can see clearly the mote in his brother's eye. One of our contemporaries evidently tried to "show us a good time" in their "joke column" this morning but for their special benefit we re-print herewith a paragraph from the Brooksville Review's account of the Marksberry trial Wednesday morning. The clipping follows:

"At 11:25 a. m. the defendant Thomas Marksberry, was duly arraigned by the clerk of the court reading to him the indictment, and, before his plea was entered the Attorney for the defense, entered a demurrer, after which the defendant entered his plea 'Not guilty.'"

## FALLS IN LOVE WITH A PAIR OF FEET

Story of His Feature Picture Shown Here Today Is Most Unusual and Gripping.

From a moving picture to a moving picture is the history of Harold MacGrath's widely read story, "The Luck of the Irish," which comes to the Gem and Washington Theaters today.

While on a trip around the world in search of material for a new novel, Harold MacGrath visited one of the big Cluema Theater of Paris. During the entertainment a comedy was shown in which only the feet of the characters could be seen until the final scene of the picture. The novelty of the picture appealed strongly to Mr. MacGrath and the opening chapters of his book deal with William (Trogan), a journeyman plumber, whose only contact with the world about him is through the window of his cellar workshop. From this angle he sees only the feet of those who pass by each day. And so he falls in love with a pair of feet. They passed his cellar window twice a day, and though he had never seen the face above them, he knew they belonged to a young energetic, and he hoped, good-looking girl. An unexpected legacy gave him a chance of realizing two of his ambitions—to see the world and ride an elephant in the Orient. On the deck of the Ajax, which was to take him around the world, he recognizes the shoes, and Ruth Warren stood for more than he had hoped.

The unfolding of the tale is filled with romance spiced with intrigue aplenty, and in presenting the story for the screen, Allan Dwan has preserved all the rich romantic charm and virile action supplied by the author, filming it in a lavish manner that is bound to receive the plaudits of all who witness it. "The Luck of the Irish" is presented by Mayflower Photoplay through Ideal Pictures.

## SUNDAY SCHOOLS WILL BE CROWDED ON NEXT SUNDAY

Hundreds of People in Maysville and Mason County Will Make Special Effort To Attend Sunday School On Next Sunday.

Next Sunday is Go-To-Sunday-School-Day in the state of Kentucky and no city or county in the entire state is making a greater effort to get out record breaking crowds than Maysville and Mason county. The local organization has been very busy for several weeks and the effects of their work is being felt throughout the county.

During this week workers in every local Sunday School are making special efforts to bring out the largest crowds. These workers with pledge cards are calling on every person connected with their various churches urging them to come out to Sunday school and the batteries of all the churches are turned on those who are not affiliated with any church. Those who do not attend Sunday school at some local church on next Sunday will be lonesome for indications are that the streets will be deserted at Sunday school time while all of the churches will be filled.

From the cards in the windows of homes and business houses in Maysville it appears that everyone will be in some school Sunday morning. Special programs have been arranged in all schools and the Sunday School officials will give the visitors the best they have in an effort to create a desire among all to attend Sunday school regularly.

If you have not already made arrangements to attend Sunday school at some church on next Sunday morning you had better make those arrangements now. The slogan for Maysville and Mason county is "Every man woman and child in some Sunday school next Sunday."

## BOARD OF EDUCATION HAS MUCH IMPORTANT BUSINESS.

Petitions from citizens of the Sixth ward asking for a new school building will also be presented.

## SOLDIER DEAD REACH HOBOKEN HARBOR

Maysville Colored Man's Body Among the First To Arrive Here From France Yesterday.

New York, April 29.—The bodies of 353 American soldiers who died on foreign soil, and of whom all but 80 died in France, arrived Wednesday on the army transport Mercury from Antwerp and Southampton. Their arrival marked the first return of soldier dead from France.

Awaiting the arrival at the army piers in Hoboken was a detachment of the Graves Registration Service. As soon as the 756 army and civilian passengers left the Mercury the bodies were removed from the hold, and the caskets, shrouded under new American flags, were arranged in company formation on the pier.

Under a soldier guard of honor the caskets were prepared for shipment home by rail. Each body will be accompanied by a uniformed guard of honor, who will remain with his charge until the casket is lowered into the final resting place.

At the piers here there was no ceremony, except that the colors were at half mast.

The body of Thomas Batis, the first Mason county negro to give his life in the world war, was on the Mercury and will be brought to Maysville by a military escort for burial.

## REPUBLICAN WOMEN OF KENTUCKY IN MEETING

G. O. P. Women at Louisville to Consider Party Representation With Central Committee.

Louisville, Ky., April 29.—Plans for the development of an effective women's organization will be discussed by members of the Republican State Central Committee at a meeting to be held in state headquarters, Republican Building, this afternoon at 2 o'clock. Mrs. Christine Bradley, South, Frankfort, and other women leaders are attending the meeting. Mrs. South is chairman of the organization committee of the women's division of the Republican national organization. Republican leaders will arrive to arouse political interest among Kentucky women and will arrange for their thorough participation in all party councils.

Opinion is based upon the question whether a separate women's organization should be created or whether existing party committees should be enlarged to give the women voters equal representation.

## EASTLAND CITIZENS WANT CITY'S EDUCATIONAL ADVANTAGES

Petitions Being Circulated Throughout Eastland Territory for Admission To the City for School Purposes Only.

Eleven representative men of the Eastland school district met with a committee of the City Board of Education at the High School building on Wednesday evening and signed a desire to take advantage of the clause in the Yazell Fourth class City School bill passed by the recent legislature, admitting suburban territory into a city for school purposes only.

These eleven men are today circulating these petitions among the residents of that section and today it is understood that practically every citizen of that district is signing the petitions. The petitions are of two kinds, one petitioning the City Board of Education to admit them and the other petitioning the County Board of Education to dismiss them.

Under the Yazell bill they can come into the city for school purposes upon their agreeing to pay the city school tax. They are not asking to be taken into the city for any other purpose and under this arrangement would not be required to pay any city tax except for school purposes. It is the purpose of those circulating the petitions to have them all properly signed to be presented to the City Board of Education Friday evening and the County Board of Education on next Monday.

## EVANGELISTIC WAVE SWEEPS OVER SOUTH FOLLOWING EFFORTS

Evangelistic Campaigns in Southern Baptist Churches Following 75 Million Campaign Prove Very Successful.

Nashville, Tenn., April 28. —Reports from the first of a Southwide series of evangelistic meetings to be conducted in Baptist churches co-operating with the Southern Baptist Convention are very encouraging and presage one of the most successful soul-winning efforts in the history of the church. It is announced by the headquarters of the Baptist 75 Million Campaign.

The largest ingathering of new members reported in any of the cities was had at Birmingham, where a total of 1722 additions were received by the various Baptist churches co-operating. Reports from some of the other cities include Shreveport, La., 325; San Antonio, Texas, 650; Waco, Texas, 400; Dallas, 500; Oklahoma City and county, 700; Franklin, Ky., 73; Mayfield, Ky., 140; Albuquerque, New Mexico, 70; Mexico, Mo., 88; and Springfield, Mo., 200.

In many of the states the evangelistic campaign will not be pushed with vigor until after the meeting of the Southern Baptist Convention in Washington, May 12. After the meeting of that body, institutes will be held in numerous states where seasons of study of the best evangelistic methods and long periods of prayer for spiritual preparation will be held for the benefit of the leaders. From these seasons of preparation the pastors and evangelists will go forth to the churches to preach and enlist the local church members in winning the lost to Christ.

Hundreds of associations are organizing their local churches for simultaneous campaigns of evangelism. In each state the efforts in the various associations and churches will be so arranged as to see that ample help is provided for every church. Stiffs of evangelists, pastors, and gospel singers will go from one association to another thus utilizing the full force of Southern Baptists throughout the remainder of the spring and summer months.

## Could Not Eat or Sleep

Vinol, our Cod Liver and Iron Tonic, gave him appetite and felt like different man.

Ruston, La. — “I am a working man and got all run down so I could not eat, sleep or work. Vinol was recommended for my condition. It built me up so I eat well, sleep well, can work all day long and not feel tired. In fact, I feel like a different man since I took it.” — JOHN H. WILSON.

“Men fret and worry.” That’s why they overwork, get nervous, all run down, have no appetite, and can “hardly drag around.” Vinol creates a hearty appetite, induces sound sleep, invigorates the nerves, creates strength and quiets the nerves.

It is the beef and cod liver peptones contained in Vinol aided by iron and glycerophosphates which makes it such a famous blood maker, nerve builder and strength creator.

## 100 Years from Now Your Life Can Be An Influence Still

Even the longest life is very short; the greatest name is soon forgotten.

But there is a way by which you can make your influence carry forward for a hundred, yes, for a thousand years, after you are gone.

It lies through the magic of money: for money is life stored up. By giving to your Church.

That wage represents your life. You can spend it all in the trivial enterprise of feeding and amusing yourself. Or you may, if you choose, purchase with it an undying influence for good.

You may help to build a hospital in China. Other hands than yours may minister to the sick; but it will be your life that is at work.

You may help endow a college here. Other teachers will train the young men and women who enter its hall; but the training will be your training—your life still at work in the world.

The total contributions of Church members to the Church in 1918 were hundreds of millions of dollars; but the average of each member was less than three cents per day.

To raise the standards of undish giving, both inside the Churches and out, is one of the objects of the Interchurch World Movement.

The Movement is the greatest co-operative enterprise ever undertaken by Protestant Denominations. There will be no duplication of effort; no waste.

To carry on Christ’s work—to make your life and influence for all time, give—and give from your heart as well as from your pocketbook.

### CONSTIPATION

And Sour Stomach Caused This  
Lady Much Suffering. Black-  
Draught Relieved.

Meadowville, Ky.—Mrs. Ponri Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable, I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before."

I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and I did not have to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape.

I cannot say too much for Black-Draught for it is the finest laxative one can use."

Theodore's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects. It has won the praise of thousands of people who have used it.

### "IN THE DAY'S NEWS."

Jonas Lie, who reaches his fortieth birthday today, occupies a high place among the younger American artists. His pictures are essentially American, the material having been drawn mainly from New York and its vicinity. He has painted the workaday world of the waterfront, the glory of Brooklyn Bridge, the beauty of the Calisades, and the New York skyscrapers. The artist is a native of Norway and belongs to a Norwegian family noted for genius in one form or another. His paternal uncle, after whom he was named, was one of the world's supreme exponents of the short story. His aunts were famed as musicians, while various other relatives for generations had contributed to the cultural history of their country. Having lost his father in early youth, Jonas Lie came to the United States with his mother, who was of American birth. While still a student at the Academy of Design in New York he sent a canvas, "The Gray Day," to the jury. The picture was accepted, well hung, and from thence dates Jonas Lie's regular appearance in American art circles.

### MAYSVILLE EVIDENCE FOR MAYSVILLE PEOPLE

The Statement of Maysville Residents Are Surely More Reliable Than Those of Utter Strangers.

Home testimony is a real proof. Public statements of Maysville people carry real weight.

What a friend or neighbor says compels respect.

The word of one whose home is far away invites your doubts.

Here's a Maysville man's statement. And it's for Maysville people's benefit.

Such evidence is convincing.

That's the kind of proof that backs Doan's Kidney Pills.

Ask your neighbor!

Henry S. Gallenstein, blacksmith, 124 W. Third St., Maysville, says:

"My kidneys were out of order and I had pains through my back. Doan's Kidney Pills put an entire stop to the pains and my kidneys became well."

RESULTS THAT REMAIN

Over four years later, Mr. Gallenstein said: "I haven't had any need of a kidney medicine since I last recommended Doan's Kidney Pills. The benefit they gave me has been permanent."

## FAMILY ALL WELL?

When Your Friends Ask That, Can You Always Say "Yes"?

**PEPTO-MANGAN**  
BUILDS RED BLOOD  
The Happy Family Is the One Where Everybody Has Red-Blooded Health.

Children should not be pale and wan. Women should not be tired, weak and blue. Young girls should not be sallow, listless and anemic. Men should not feel run-down and poorly.

Poor health and lack of vitality are often merely the result of impoverished blood.

Gude's Pepto-Mangan is for people whose bodies suffer from lack of proper blood nourishment. Pepto-Mangan enriches the blood and increases the number of healthy red blood cells, which are so necessary to carry the proper nourishment, vigor, and strength to every part of the body.

It contains the very properties that are so sorely needed to build up thin, watery blood. Physicians call it the Red Blood Builder.

For your convenience Pepto-Mangan is prepared in two forms, liquid and tablet. Both contain exactly the same medicinal value.

Insist on the genuine Pepto-Mangan. To be sure you are buying the genuine Pepto-Mangan, ask your druggist for "Gude's". And be sure the name "Gude's" is on the package.—Adv.

All of the officers and teachers of the First Baptist Sunday school are requested to be present at the mid-week prayer service this evening as a business meeting will be held at the close of the devotional service.

## KY. WOMEN URGE THAT ALL WASTE BE ELIMINATED

Reduce Buying, Save Food and Wear Old Clothes Is Plan of Kentucky War Mothers.

Lexington, Ky., April 28.—Moderate eating, absolute elimination of food waste, wearing of old clothes, reduction of buying to the minimum and more production by those whose duty it is to produce were advocated as necessary to lower the high cost of living at a meeting of the executive board of the State War Mothers Wednesday afternoon at the Phoenix hotel.

The board was called to consider the matter of organizing old clothes clubs among the twenty units of the organization in the state. The plan was approved and will be recommended by the executive board for adoption by all War Mothers in the state.

Wearing of gingham and overalls is not looked upon as a solution of the present high cost problem by the executive board, but rather as a foolish habit that would tend to make it harder for workmen to buy overalls.

Mrs. William Dowell Oldham, of Lexington, presided at the meeting. Members of the executive board present were: Mrs. John A. Herring, of Georgetown; Mrs. George Spear, of Frankfort; Mrs. J. Walter Payne, of Burlington; Mrs. Abner Oldham, of Mount Sterling; Mrs. J. T. Kuwlen, of Winchester. Proxies were sent by the Madison county and Harrison county war mothers.

The executive board, which is representative of more than a thousand organized war mothers of the state went on record as favoring the pledging of all war mothers to eliminate waste, wear old clothes and the reduction of buying to the minimum.

Wages are no higher than they should be, in the opinion of the war mothers, but it feels that the producers are not producing as much as they

should in a resolution they passed the war mothers favor the application of more efficiency in production to all lines and more work by everybody.

Girls of the state were asked to cooperate in the reduction of the high cost of living by giving up fads during the present crisis, in another resolution approved at the meeting.

The action of the executive board will be transmitted to the various units immediately for local action. The Fayette county unit, of which Mrs. Minor Simpson is the war mother, will take the matter up on receipt of a report of the meeting.

A story of the falsity of one man and the truthfulness of a beautiful young girl. "I GAVE YOU MY YOUTH—YOU CANNOT HAVE MY DAUGHTERS!" The mightiest force still in existence in the world is mother's love and the mother instinct. How the greatest short story writer in the world—Fannie Hurst—tells the story of "The Day She Paid" weaves itself into a play that every mother, father and child should see. He had her youth—he demanded her little girls—or a price. The price was paid by whom? Daringly different gowns, direct from Paris, are displayed in this picture.
